3 Proposed Leader/s: [Steve Abernethy](#)

4 Briefly describe the progress your NLC has made towards the stated goals this year. Please attach your action plan.
([Action Plan attached](#))

5 To what extent do you know what has been developed in the schools in your NLC?
[Cluster schools are very excited about continuing the NLC work in developing meaningful partnerships with parents and community. The Principals have agreed to add additional funds if required. Schools recognize Technology as both a gap \(especially ICT\) and a fantastic opportunity to get parents involved in student learning. Two additional schools have asked to join the NLC \(Kuranui School and Wharekura\).](#)

6 How will the NLC build on the goals from 2010 in 2011?
([see Progress Report – attached](#))
